EduAfya
Towards UHC

The Ministry of Education and NHIF signed a contract on 13th April 2018 to offer a unique Comprehensive Medical Insurance Cover to Public Secondary School Students for the duration of their Study.

Who is eligible?

- Any student in a public Secondary School and is under National Education Information System (NEMIS).
- Any student who is in a Public Secondary School and in NEMIS database and Registered by NHIF.
- Only the Student shall be covered under the scheme and not a Dependent or Parent.

How to Register

- Register the student in NEMIS database, then the data will be shared by Ministry of Education to NHIF for Registration
- Biometric registration of students will be done in their respective schools by NHIF
